

Final Youth Standings as of May 19, 2009 (with corrections)

These standings reflect the scores as of the closing date of qualifying for the USEF National Championship. The Top 20 Athletes in each age division plus ties will be invited to compete at the USEF Youth Championships at the Derby in Oklahoma City June 26-27, 2009. Breed and Collegiate Champions will also be invited to compete.

Please go to the USEF website at this link (insert link) click on your name, and there will be a list of points awarded for each competition between May 18, 2008 and May 13, 2009. If the points are in Red, then there is a problem with the points, and they were not tabulated into your total points. In order to correct these "bad Points" click on "Corrections" in the heading and provide the necessary information to correct the points. Examples of reasons that points might be bad: no horse ID or mistakes with the results such as wrong member numbers, misspelled names, no points reported. You may want to send an email to corrections if your name does not appear on the list even though you received points at a qualifier, if the qualifier is not listed, or if you are in the wrong age group. You may email corrections directly using the email address corrections@usef.org

These Standings become official as of Midnight, May 26. Correction requests received after that date will not be accepted and the qualification list becomes final.
