Be sure to get entered up! Move in day is July 7th with paid warmups on the 8th and the show classes run from Friday the 9th through Sunday the 11th. Stall reservations, on-line entries, and RV Reservation forms can be found on the website (www.wsrha.com). On the 'Shows and Events' tab, click on the Summer Sizzler to access the forms. The 'Forms and Documents' tab also has the showbill and a printable entry form. *While the late fee has been removed, pre-entry by June 25th assists our office management in their service to you at the show.*

Our Spring Spectacular show was amazing! We had such a good turn out of members/ exhibitors! Our membership has grown to **93 Members!** Great participation in the Club Classes made for a profitable show and has set the stage for fun competition for the championship saddles and other awesome year-end Club class awards! The Derby Classes were competitive and fun to watch! A big shout out to **Veronica Miller** for the very successful silent auction! We sincerely hope all of our exhibitors had a good time showing their horses!

We appreciate the constructive feedback about the show that we have received from our membership. The first show of the year always provides plenty of opportunities for improvement. We appreciate your patience as we continue to make positive changes in an effort to enhance your experience at the horse show.

Please be sure to check out the "Sponsors" tab on the website. We have an impressive list of valued sponsors! Please be sure to thank you to our Sponsorship Committee (**Cody Stark, Kjersten Davis, Mandy Healy, Christie Burch, and Janey Phillips**) for their efforts and say thanks to our sponsors every chance you get! We know our success as a club is dependent on our great sponsors and our members!

We would like to take an opportunity to recognize and thank the previous Board of Directors for their service to the membership of WSRHA - **Dar Woodward, Cheri Maker, Hillary Porterfield, Martha Grimes, Janet Pearcey, Veronika Miller, Leigh Taylor, Dawn Serafin, Michelle Chapman.**

WSRHA is growing and we continue to work to provide a venue promoting reining and reining horses in our region. Thank you for your continued participation and support!

Respect the horse and respect the sport! Come slide with us!
