

Western Slope Reining Horse Association

Board Meeting Minutes

April 6, 2023, 6:30 PM VIA Zoom

Present: Bub Poplin, Ray Stephenson, Janet Pearcey, Kelsey Rhyne, Martha Grimes, Cindy Gunzer, Janey Phillips, Joel Fischer, Paul Mckee. Desiree Hardin had submitted a proxy.

Minutes: Paul Mckee made a motion to approve the February 2nd minutes and Janey Phillips seconded it. The Board voted to approve the minutes.

Main Topic of this Meeting:

July Summer Sizzler in Montrose

With our current dates the Summer Sizzler conflicts with Reining by the Bay and Summer Slide. With the current landlocked dates, the Show Committee would like to reschedule the show to June 30th – July 2nd in Rifle. By moving the show to the proposed dates, we are getting away from move-in for Reining by the Bay and Summer Slide as well as giving us a buffer to Lincoln. As well as these changes the committee would like to move the Derby to the Buckle Bonanza and make that show a four day show verses a three day show.

Janet Pearcey made a motion to pass the proposed new Summer Sizzler dates and location. Kelsey Rhyne seconded the motion and the Board then voted to pass the motion.

Other Topics for Discussion:

Schooling Shows

The first date is April 22nd in Rifle and the second one is June 11th in Grand Junction. The show committee would like to keep to the same schedule as last year: mares, not mares, open, poker class. And the winner of the poker class will be awarded a stall at the Spring Spectacular.

Paul Mckee is going to look for a food vendor for the day. In the past WSRHA has used the Lions Club of Rifle. As well as a food vendor Paul is going to check on shavings.

Sponsorship

The sponsorship committee would like to explore possible giveaways for upcoming shows, reusable grocery bags was an idea.

Upcoming Show News

Rocky Mountain Reining Horse Association will use our Summer Sizzler for year end points this year. Moving the dates to not conflict with Summer Slide let this joint venture become feasible.

Motion to adjourn the meeting at 7:30 PM by Kelsey and seconded by Martha. Motion passed to adjourn the meeting.
