Winds of Change!

Show season 2021 is finally here! The newly seated Officers and Board of Directors of the Western Slope Reining Horse Association have already been hard at work to bring you a revitalized reining experience!

As we all know, in this industry there are 3 key components for putting on a great reining.... WSRHA will focus on heavily on these this year:

- 1) Good Dirt
- 2) Good Money
- 3) Great Judging

Here are but a few of the new fun opportunities we have lined up for you in the 2021 season:

- Added money for maximum payouts!
- Derby and Futurity classes!
- 3 NRHA Shows!
- 3 Schooling Jackpot Shows!
- New indoor facility in Montrose!
- ProAm Class!
- Green Horse Class!

We are excited to welcome you back to WSRHA!! You will enjoy an active Facebook presence, an informative and helpful website, and opportunities to network and connect with your reining family!

Respect the horse and respect the sport! Come slide with us!
